To All IFTA Commissioners and IFTA Inc. Staff:

In relation to New Jersey's recent transition to a new IFTA processing platform a miscommunication has occurred between New Jersey and the New York Regional Processing Center (NYRPC) staff. This miscommunication resulted in New Jersey not being included in the NYRPC's netting process for the upload of data to the IFTA Clearinghouse for the month of September. New Jersey has begun preparations with our vendor to have this data uploaded with the October data in November. We apologize to all jurisdictions for this error.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Walker".
