Re: South Carolina Systems Upgrade

IFTA, Inc. and all IFTA Member Jurisdictions:

Please be advised, the South Carolina Department of Motor Vehicles (SCDMV) will begin implementing a system upgrade on the current Motor Carrier Services software on the weekend of May 3-5, 2024. Customers of IFTA/IRP will not be able to access Branch Office locations or online services during this time due to system upgrades.

Law Enforcement may experience a data and information delay during this period. We ask that Law Enforcement consider this detail during any motor carrier interaction during the upgrade period.

Services for both online and Branch Office locations are planned to be operational on Monday May 6, 2024. Please visit the SCDMV website at www.scdmvonline.com for updates should any of these dates change.

If you have any questions, contact Bridgette Bruce or Cindy Hutto, with the South Carolina Department of Motor Vehicles, Bridgette.Bruce@scdmv.net or Cindy.Hutto@SCDMV.net.
