RE: 2016 IFTA License and Decals

South Carolina Department of Motor Vehicles, Motor Carrier Services has experienced a delay in receipt of our IFTA decals on the 2016 renewals. Our stock has been depleted and South Carolina has an emergency order which will be overnighted to our office next week.

South Carolina is requesting that our carriers traversing interstate movement with current, active 2015 credentials be allowed to continue to travel through January 31, 2016 without being cited. This will allow time for the 2016 credentials to be issued to all carriers who submitted timely request.

We appreciate your consideration on this matter and should you have any questions, please contact myself or Christine Wise at (803) 896-2686.

Sincerely,

A handwritten signature in cursive script that reads "Leroy Johnson". To the left of the signature is a circular stamp containing a stylized monogram.
