## WYOMING Tax Rate Changes for 2013 International Fuel Tax Agreement (IFTA)

Effective July 1, 2013, Wyoming will increase the per gallon fuel tax by \$0.10. The increase will be added to Wyoming's tax rate for a total of \$0.24 per gallon. Some of the fuel definitions will also change in Wyoming Statute, and so the following fuels will also be taxed at \$0.24 per gallon. There is still no tax on Ethanol or Methanol unless it is mixed with gasoline (E-85, M-85 etc).

Gasoline	Special Diesel	Gasohol	Propane	LNG	CNG	Ethanol	Methanol	E-85	M-85	A55	Biodiesel
\$ 0.24	\$ 0.24	\$ 0.24	\$ 0.24	\$ 0.24	\$ 0.24	\$ 0.00	\$ 0.00	\$ 0.24	\$ 0.24	\$ 0.24	\$ 0.24

If you have any questions regarding these fuel tax changes, please contact the IFTA section of WYDOT at 307-777-4827.

Sincerely,

Debbie Lopez

WYDOT IFTA Commissioner
