Dear IFTA Member Jurisdictions:

The California Department of Tax and Fee Administration (CDTFA) is receiving reports from carriers experiencing quality issues with the California 2019 International Fuel Tax Agreement (IFTA) decals. Carriers have reported decals not adhering properly, edges curling, portions breaking off, and decals completely falling off the vehicle.

We are currently looking into the problem and reviewing options. Until we can resolve this issue, we are requesting jurisdiction law enforcement officials take this decal quality issue into consideration when working with a California carrier with a valid 2019 IFTA license, but is missing or has defective 2019 California IFTA decals.

We appreciate your consideration on this matter and apologize for any inconvenience this may cause. Please contact Cindy Swanson at 1-916-373-3010, if you have any questions regarding decals or licensing for California carriers.

Sincerely,

A handwritten signature in cursive script that reads "Debra Kalfsbeek".
