Dear Ms. Turner,

Indiana will grant an emergency exemption to Utility vehicles traveling into Indiana, due to extenuating circumstances. Conditions for requesting this exemption are storm damage and significant power outages across the northern regions of Indiana. Indiana will allow Utility crews to travel into Indiana to restore electrical/power.

Indiana will allow for an **emergency exemption** from IFTA and IRP regulations through Monday, July 18, 2011. Please refrain from taking enforcement action of any Utility vehicles until 12:00 a.m. Tuesday, July 19, 2011.

For more information or questions regarding this please contact me at (317) 615-7257.

Best Regards,
