

NOTICE REGARDING FUEL PURCHASED ON NYS INDIAN RESERVATIONS

Attached is a list of retail fuel stations known to NYS Department of Taxation and Finance to be located on Indian Reservation land in New York State (or located on the Oneida land which is not recognized as reservation land) which are owned by either tribes or individual tribal members. These retail stores are not paying NYS fuels or sales tax and, accordingly, any fuel purchased at one of these retail outlets is not NYS "tax-paid" fuel for the purpose of taking NYS fuels tax credits on an IFTA return.

This list may not be all inclusive. If you are uncertain whether or not taxes are included in the fuel prices of a particular service station, please compare the price per gallon sold to other stations known to be off of the reservations.

Please pass this information on to your IFTA audit staff as reference material, in case they encounter some of these "untaxed" fuel purchase receipts from tribal retailers while conducting their audits. If you or your audit staff has any questions regarding this communication, please contact Brian Galarneau at 518 457-7549.

Thank you,
Deborah Nickles
IFTA Commissioner (NY)
