

MEMORANDUM

DATE: March 7, 2007
TO: IFTA Commissioners
FROM: Edward H. Mehmel
State of Connecticut IFTA Commissioner
SUBJECT: 2007 IFTA Decals

The State of Connecticut is experiencing problems with the quality of the 2007 Connecticut IFTA Decals. Some of the 2007 Connecticut IFTA Decals received from our vendor are not properly adhering to the vehicles.

Upon receipt of notification from affected Connecticut IFTA Carriers, replacement decals are being issued at no cost. We realize this situation may be an inconvenience to Connecticut IFTA Carriers as well as IFTA Jurisdictions and we ask that the IFTA Jurisdictions and law enforcement agencies understand the difficulty the Connecticut IFTA Carriers may be experiencing with respect to this issue.

Affected Connecticut IFTA carriers should be able to present their 2007 IFTA license. We appreciate your continued cooperation as we work through this situation.
