Sebelius honors Louisiana executive order for storm relief *Rules lifted to facilitate aid to communities affected by recent hurricane*

Governor Kathleen Sebelius has directed the State of Kansas to honor Louisiana Executive Order BJ 2008-78 which lifts certain restriction on motor carriers.

“Kansas has had its share of natural disasters and we understand that it takes an entire nation to come together and bring relief to affected communities. Our thoughts and prayers are with the people of the Gulf Coast and Kansas stands ready to help,” Sebelius said.

This weekend 600 members of the Kansas National Guard were also [deployed](#) to the region to aid in the recovery efforts.
