MEMORANDUM

TO: All Commissioners
International Fuel Tax Agreement

FROM: Nancy A. Philburn, Manager
New Jersey IFTA Commissioner

SUBJECT: 2009 New Jersey IFTA Decal

DATE: July 14, 2009

The State of New Jersey has begun experiencing color fading on its red 2009 IFTA decals. The decals, some of which have faded to white, are retaining the registration number and should agree with the registration number listed on the current IFTA license.

As carriers request, we are issuing no-fee replacement decals or a letter of explanation that can be presented to law enforcement.

We are requesting that New Jersey-based carriers, in possession of a 2009 IFTA license, not be penalized for faded decals. Please direct questions regarding the 2009 decals to IFTA supervisor Dar Schwarzwaldner at (609) 633-9407 or Veronica Snead at (609) 633-9417. Thank you for your assistance in this matter.
