RE: Fading Oregon IFTA Decals for 2006

Oregon is experiencing a higher than usual incidence of fading 2006 Oregon IFTA decals. We are currently working with our decal vendor to correct this situation.

Oregon requests that you forward this communication to your jurisdiction's law enforcement and that enforcement request and view the actual Oregon IFTA License to verify the motor carrier is qualified under 2006 Oregon IFTA, when Oregon IFTA decals are faded. If possible, please refrain from taking an enforcement action if the motor carrier presents a valid 2006 Oregon IFTA License.

Oregon is prepared to re-issue 2006 Oregon IFTA decals, as necessary, to replace faded 2006 IFTA decals.

If you or your jurisdiction's law enforcement have any questions about Oregon's faded decals or need to verify the validity of a 2006 Oregon IFTA License for a motor carrier, please feel free to contact Oregon's IFTA Department at 503-373-1634.
