TO: Affected Agencies and Shippers/Carriers

Tropical Storm Hanna has the potential to cause widespread damages throughout the Commonwealth of Virginia. In response to the potential impacts from Tropical Storm Hanna and to ensure a speedy recovery to those citizens impacted by the storm, the Commonwealth of Virginia is looking at ways to ensure goods and services get into areas impacted by high winds, storm surge, and tornadoes and flooding.

As a result, the Virginia Department of Transportation and the Virginia Department of Motor Vehicles jointly authorize a temporary waiver of registration and license requirements along with normal weight and width restrictions for the purpose of ensuring essential emergency relief supplies reach the disaster area in a timely manner. This waiver is effective beginning September 5, 2008 until midnight on October 6, 2008. It pertains only to shippers and carriers of essential emergency relief supplies into those areas impacted by Tropical Storm Hanna and are subject to the weight restrictions below:
