The IFTA Agreement Procedure Committee (APC) currently has two vacancies, one in the Western Region and one in the Northeast Region.

One of the APC's duties every year is to plan the IFTA Managers and Law Enforcement Workshop. Every Workshop brings new ideas and training to our IFTA jurisdictions, plus an opportunity for face to face meetings with our fellow IFTA members.

Please consider volunteering for this very important and active committee. To find out more information on this committee log onto the IFTA, Inc. website at www.iftach.org. On the left side of the homepage please click on "Committees". On the next screen, click on "APC Committee" and on the last screen click on "New Member Guide".

If you are interested in submitting your name, please log in and go down to "Committee Volunteer Form" and click on "APC Volunteer Form". If you do not have access to the IFTA, Inc. website, you can volunteer to serve on the APC Committee by emailing the chair. If you have any questions, please contact me, Cindy Arnold, APC Chair at carnold@dmv.nv.gov.

Meeting Minutes:

The Meeting Minutes have been updated for the following committees:

- ◆ Agreement Procedures Committee
- ◆ Attorneys Section Steering Committee

One Stop Shop:

Our One Stop Shop currently displays 22 decals from jurisdictions that have sent us a sample decal. If we have not received your decal then nothing will be displayed. If you want to send us your decal email Jessica Eubanks at jeubanks@iftach.org

Reminder:

The IFTA, Inc. website and the Clearinghouse are separate areas. Your UserID and Password will be different for the website and the Clearinghouse, if you have access to both.

If you want to grant access to the Clearinghouse or take away access, this is done by logging into the IFTA, Inc. website. Under the Clearinghouse section called User Registration is where IFTA Commissioners or those with level 5 access can manage accounts.

Quick Tips

To sign up a new user you need a Level 5 or above user to log into www.iftach.org. Once logged in you will see the Clearinghouse links on the right hand side menu. From this page you will be able to sign up a new user and provide them access rights to the Clearinghouse. On the same page you may also change the type of access granted to them as well as delete users who have signed up previously.

Other links on www.iftach.org include the Clearinghouse Enhancement Request Form. Use this form to request any changes to the Clearinghouse you would like to see. Once submitted the Clearinghouse Advisory Committee (CAC) will review the request for approval.

Clearinghouse Advisory Committee

The Clearinghouse Advisory Committee is setting up a quality control service to be implemented by members of the CAC. Each quarters worth of data will be looked at and followed for consistent data and quality of said data. This will include transmittals, demographic and decals.
