Annual Report Database

The Annual Report Database is open for your input. If you are looking for a list of all of the information you will need to complete your annual report, please refer to the Procedures Manual, Section P1110.100.

The due date for submitting the Annual Reports are **March 1, 2011.**

IMPORTANT

Please take a look at your Jurisdiction Communication List. Often we get returned emails because someone has retired or the contact has changed. It would be greatly appreciated if these contacts were kept up to date. It helps both the other jurisdictions and IFTA, Inc.

If you need any assistance in making changes, please let me know. I can be reached at jeubanks@iftach.org.

The Clearinghouse Funds Netting contacts are a separate database. If you have changes to those, please send me the information.

Thanks to all, it's greatly appreciated.

Report Updates:

It's that time of year again. Time to update the various reports. The Annual, Audit, General and Biodiesel Information Reports are ready for updating.

All of your data for these reports from last year was copied over except for the Annual Report so you don't have to re-enter all that data. The deadline for updating the Annual Report is **March 1, 2011**. The other three reports can be updated throughout the year.

The Annual Report Spreadsheets are now online.

The Audit Report and General Report for 2010 were finalized and are now available in excel spreadsheets for downloading.

Exemption Database:

The Exemption Database is also ready for updating. Your data from 2010 was copied over and ready to editing. If you don't have any new changes this year please hit the update button anyway so we know someone is looking at it.

You can now view last years information and the archives on the main Exemption Database Spreadsheet.

Meeting Minutes:

The Meeting Minutes are ready for the following committees:

- (APC) Agreement Procedures Committee
- (ITAC) Information Technology Advisory Committee

IFTA, Inc. Clearinghouse Update

jdegraf@iftach.org

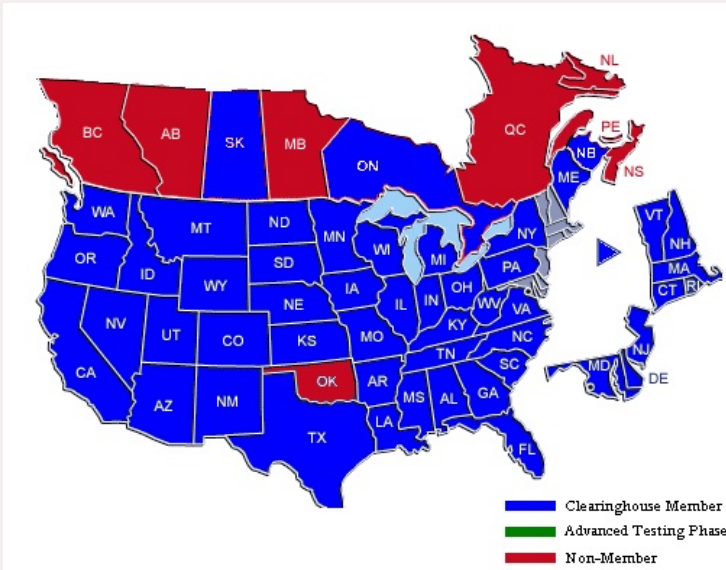

Updates Coming Soon

Currently figuring out a way to send the Summary Total Due and Transmittal Detail Total Due figures to you by e-mail. I am doing this because I want all jurisdictions who are not checking these totals to have a record of what is on the Clearinghouse.

IAR Database

I have removed the requirement of providing a date in the now removed date field for uploading IAR's. The past method was buggy, so dates are now being applied to your uploads underneath the web pages automatically. This is much better and with more consistent results.

Also, be careful how you name your .pdf files for these reports. I have instructions on the page of what are acceptable naming conventions. Poorly named files have, at times, needed to be renamed for the downloads to work. So take some care on how you name your IAR .pdfs.
