### JESSICA EUBANKS NOW A RETIREEE!

Jessica Eubanks, Executive Assistant, retired on February 15, 2012. Jessica had been an integral part of the IFTA community for 16 years. We will miss her.

Jessica and her husband Steve will soon be leaving Arizona and moving to Tennessee to enjoy time with family and friends. They have a beautiful new home in Tennessee and are anxious to get there to begin the next

JESSICA HAS BEEN AN INTEGRAL PART  
OF THE IFTA COMMUNITY FOR 16  
YEARS. WE WILL MISS HER.

chapter in their lives.

Jessica's retirement notice coincided with the 1Q12 Board meeting. We were very happy to have the opportunity to have a retirement celebration with Jess while the Board members were here.

Our very best to you Jess! May all your retirement wishes come true!

*Jess with her cake*

*Jess will now need that can  
of de-icer to clear off the  
windshield on those cold  
Tennessee mornings*

### TAX RATE CHANGES FOR 1Q12

Thus far, five (5) member jurisdictions have changed their tax rates for 1Q12. To view these changes, please visit <http://www.iftach.org/taxchangeq.php>.

## **IRP, Inc. Seeks Chief Executive Officer**

**Position:** Chief Executive Officer of International Registration Plan, Inc., a Virginia nonstock corporation (IRP). IRP is a 501 (c) (3) non-profit organization with a staff of 6 and an annual budget of \$1.3M.

**Salary:** \$110,000

**Application Deadline:** March 30, 2012

The CEO serves to lead and manage IRP, Inc., the repository of the International Registration Plan (IRP). The International Registration Plan is a registration reciprocity agreement among states of the United States, the District of Columbia and provinces of Canada providing for payment of license fees on the basis of fleet distance operated in various jurisdictions. The primary responsibility of this position is to manage and oversee all of the affairs of the corporation and ensure that all orders and resolutions of the Board of Directors are carried out. Duties include advising the board of directors, preparing an annual budget, overseeing day to day operations of all programs and services, supervising IRP, Inc. staff, developing and implementing strategies to achieve the organization's goals, serving as the spokesperson for the organization, representing the organization at various conferences and meetings, and assessing and developing member services. For additional information regarding IRP, Inc., see the IRP, Inc. website: [www.irponline.org](http://www.irponline.org).

Candidates should possess a Bachelor's degree in business or public administration or a closely related field from an accredited four-year college or university (Master's degree preferable). A minimum of ten (10) years of demonstrated progressively responsible experience in association management or equivalent organizational management experience. Equivalent managerial experience could include ten years of experience directly managing programs and organizations that demonstrate personal possession of the knowledge, skills and abilities described below. (Note: Additional responsible professional experience may substitute for required education on a year-for-year basis.)

IRP, Inc. requires a candidate who possesses the following knowledge, skills and abilities: developing, implementing, monitoring and measuring strategic plans; budget and financial management and investment oversight; association management and/or management of a large organization; legislative framework and the regulatory framework of government at all levels; excellent oral and written communication, presentation and interpersonal skills; understanding of North American transportation, motor vehicles, motor carrier or other equivalent experience or knowledge; strong leadership and management skills; strong customer/member service skills; political and organizational sensitivity skills.

Position requires frequent travel to conferences, meetings and workshops, including overnight travel. Position may require some or all work from home as non-traditional office settings are being explored by IRP, Inc.

Interested candidates should send a cover letter, resume, and three professional references to: [CEOsearch@irpmail.org](mailto:CEOsearch@irpmail.org).

## **IFTA AGREEMENT PROCEDURES COMMITTEE**

***Cindy Arnold (NV), Chair***

The APC currently has two openings on the committee. We are currently looking for volunteers, one from the Northeast region and one from the Midwest region.

The APC's main duties include reviewing the IFTA Articles of Agreement, review and comment on current year ballots, and to plan and participate in the annual Managers and Law Enforcement Workshop. The committee meets monthly via conference call. Each committee member is asked to participate in the workshop as either a presenter or a facilitator. In order to volunteer for the committee you must have approval from your jurisdiction and fill out the APC volunteer form found on the main page of the secure IFTA website.

## Annual Reports

As of this writing, 21 jurisdictions have updated their Annual Reports. The deadline to complete your jurisdiction's Annual Report is **March 1, 2012**.

## 2012 MM Blitz

The 2012 M&M (March and May) Blitz is upon us. There is an invitation on the front page of the IFTA, Inc. website explaining the details. The enforcement initiative takes place after the IFTA grace period ends and is sponsored by the IFTA Law Enforcement Committee. The details from last year's M&M blitz will soon be published on the IFTA, Inc. website. If you wish to participate in the event, read the invitation and contact the LEC committee member that represents your jurisdiction.

## Meeting Materials

The Meeting Materials for the 2012 IFTA/IRP Audit Workshop are now available on the IFTA, Inc. website.

## 2011 Voting Results

The 2011 Ballots and Voting Results are now posted on the IFTA, Inc. website.

## Committee Chairs

We now have a Committee Chairs guide posted on our Committees page. The Committee Chairs also have special access in the message board to manage our database for all the Committee Chair Volunteers. If you have Chair access, login to the message board to view and/or edit this feature.

# IFTA, Inc. Clearinghouse Update

[jdegraf@iftach.org](mailto:jdegraf@iftach.org)

So, you want a user to use the Clearinghouse, eh? If you do not have permission to add users, please contact your IFTA Commissioner. **A commissioner or user at Level 5 or above, has to log onto [www.iftach.org](http://www.iftach.org) to add users.**

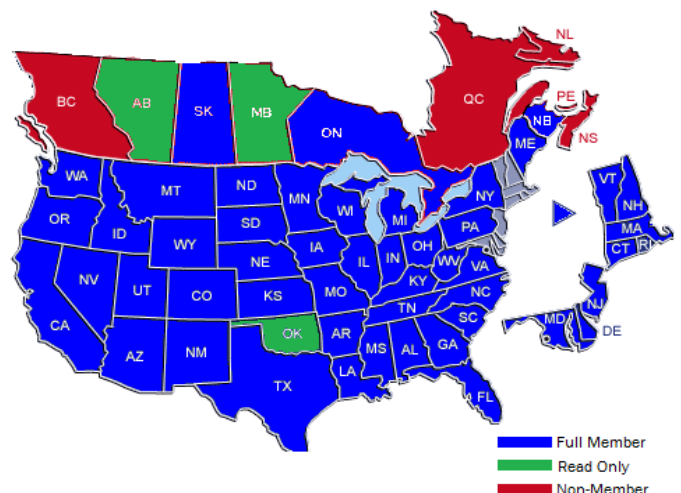

On that same registration page is the list of your current registered users. See a user that left your office 4 years ago? Go ahead and delete that user from gaining access to the Clearinghouse. Take periodic reviews of your user list and remove users as needed.

## FEINs and IARs

It was brought to our attention that some Jurisdictions were using internal numbers on their IARs. That number could not be used to look up the actual transmittal data.

While it was only a few jurisdictions, (three), two of them have already made the corrections to

use FEINs on the IARs so that it's easier to match them to a transmittal record. Thank you for those quick changes!!

# 1Q 2012

## NOTES FROM THE BOARD

On January 25 and 26 the IFTA, Inc. Board of Trustees (Board) held their First Quarter 2012 Board meeting. Eight Board members were in attendance; Mr. Hugh Hughson (BC) was unable to attend. Also in attendance were Mr. Dan Eisinger (Supervalu, Inc.), Industry Advisory Committee (IAC) Chair, Ms. Lisa Lombard and Mr. Carlos Valdivia from Lombard & Associates. During closed sessions the Board elected the Executive Committee. By acclamation Mr. Greenawalt, Ms. Patricia Platt (KS), and Mr. Ron Hester (ON) were re-elected as President, First Vice-President, and Second Vice-President respectively.

Committee and Jurisdiction liaison assignments were then reviewed. The assignments were made as follows:

### IFTA, INC. BOARD OF TRUSTEES – COMMITTEE LIAISONS

#### STANDING COMMITTEES:

##### Agreement Procedures Committee

Lead: Ron Hester (ON)  
Ric Listella (OR)

##### Audit Committee

Lead: Ric Listella (OR)  
Scott Greenawalt (OK)

##### Clearinghouse Advisory Committee

Lead: Garry Hinkley (ME)  
Pat Platt (KS)

##### Dispute Resolution Committee

Lead: Pat Platt (KS)  
Hugh Hughson (BC)

##### Industry Advisory Committee

Lead: Hugh Hughson (BC)  
Chuck Ulm (MD)

##### Law Enforcement Committee

Lead: Stuart Zion (CO)  
Chuck Ulm (MD)

##### Program Compliance Review Committee

Lead: Sheila Rowen (TN)  
Scott Greenawalt (OK)

#### SPECIAL COMMITTEES:

##### Attorneys' Section Steering Committee

Lead: Sheila Rowen (TN)  
Stuart Zion (CO)

##### Information Technology Advisory Committee

Lead: Ron Hester (ON)  
Garry Hinkley (ME)

##### Re-Audit and Re-Examination Working Group

Lead: Pat Platt (KS)  
Garry Hinkley (ME)

##### Commissioner Training Committee

Lead: Stuart Zion (CO)  
Chuck Ulm (MD)

The Board then reviewed and approved the 4Q 2011 Board meeting minutes. Additionally the Board approved the minutes of the Board actions by email and the November 2011 conference call minutes.

Mr. Jason DeGraf, Information Services Director, presented the IFTA, Inc. Clearinghouse update. Jurisdictions have been contacted regarding sharing data through Nlets. Most jurisdictions have agreed to share their data while seven have agreed to share the revoked status but not the suspended status data. Four jurisdictions, which are not members of the clearinghouse, will not share their data with Nlets.

The Quality Control Team of the Clearinghouse Advisory Committee (CAC) sent out notices back in November 2011 regarding the quality of demographic data sent to the clearinghouse. Most of the affected jurisdictions have incorporated the necessary changes. The deadline to comply with this request is February 17, 2012. A survey is also being compiled by the Information Technology Advisory Committee (ITAC) regarding roadside enforcement. The results of this survey will also be available in February.

Interjurisdictional Audit Reports (IARs) were discussed. Issues have arisen regarding the database and use of the taxpayer ID field. Some jurisdictions are sending internal system numbers that do not match those found on the transmittals in the clearinghouse. This discrepancy creates concern for consistency when utilizing the clearinghouse. An email was distributed to those in question asking for jurisdictions to utilize the taxpayer ID instead of an internal number.

Sharing of data was also discussed. . A presentation will be provided at the 2012 Annual IFTA Business Meeting regarding the sharing and security of demographic data through Nlets, CVIEW, and SAFER.

Ms. Lonette Turner, IFTA, Inc. CEO/CFO, informed the

Board that IFTA, Inc. had been contacted by Mr. Jim Poe (IN) who is Chair of the Board of Help, Inc. Help, Inc. had inquired regarding access to the clearinghouse files. It was explained that due to confidentiality issues and the language of the access agreement signed by both the participating jurisdictions and IFTA, Inc., such data could not be sent to a third-party vendor.

Board Liaison Mr. Garry Hinkley (ME) presented the CAC report. Following the resignation of Mr. Bill Kron (MS) as Chair, Mr. Randy Boone (IN) assumed this position and the vice-chair remains vacant. Addressing other vacancies of the committee the Board approved Ms. Sherry McKinley (ME) to fill the northeast region leaving a vacancy in the southeast caused by the resignation of Mr. Greg Hopper (VA).

Mr. Hinkley will inquire with the committee as to the status of the Board's charge that the CAC draft a Best Practices Guide. In considering this guide, the Board liked the suggestion of a single Best Practices Guide that would combine all of the IFTA committees' best practices.

IFTA, Inc. Webmaster, Mr. Tom King, demonstrated the IFTA, Inc. website and reviewed the recent updates and pending projects. Volunteer forms have been uploaded and will be further

revised to feed the data into the committee web pages so that the committee chairs will be advised of those with interest in volunteering for the committees.

In regards to the email exchange system IFTA, Inc. continues to look into bad email addresses and how notifications should be sent. Additionally, a check box system is being looked into that would allow users to email certain member jurisdiction departments as opposed to all jurisdictions. This way, if a user wanted to only email 10 jurisdictions and not all 58, they would be able to do so through a check box system.

A member terms page is in the works that will link to the respective committee web pages. This document will identify all the committee participants and their roll off terms. Committee positions will be identified as active, inactive, or vacant. An archived form of this list will be maintained at IFTA, Inc. back to 2001.

The March and May 2011 Compliance Initiative (M&M Blitz) have not yet been posted to the website. The forms for the 2012 Compliance Initiative are being drafted for law enforcement personnel.

Ms. Sheila Rowen (TN), Attorneys' Section Steering Committee (ASSC) Board Liaison, presented this

committee report. The Board discussed the request to have the ASSC meet in conjunction with the 2012 IFTA / IRP Managers' and Law Enforcement Workshop. Registration fees were reviewed and concerns regarding attendance were expressed. It was the decision of the Board to not hold an Attorneys' Section Meeting in 2012. Instead, the committee will be encouraged to present a webinar in 2012 and survey all webinar attendees as to their interest and ability to travel for a meeting in 2013.

Events Coordinator, Mrs. Tammy Trinker, updated the Board on the IFTA meetings. Mrs. Trinker explained that IFTA, Inc. has been researching ways to reduce meeting expenses and registration fees. One way in which costs might be reduced includes the reduction and/or elimination of catered break functions during meeting events. Considering this savings the 2012 IFTA / IRP Managers' and Law Enforcement Workshop registration fees were presented for approval. The Board approved these fees at \$290 for members and \$340 for general public and industry representatives.

The 2012 Annual IFTA Business Meeting will be held July 18 – 19 at the Amway Grand Plaza hotel in Grand Rapids, Michigan. Government per diem will be honored for the room rate. Registration fees will be

provided to the Board for consideration by no later than March 1. IFTA, Inc. will research sponsorship for the catered breaks to assist in reducing meeting costs.

Funding of the Richard L. Reeves Leadership Award was discussed. It was noted that IFTA, Inc. funds the Charles M. Mills Award of Excellence and that industry has funded the Richard L. Reeves Leadership Award since its inception. The Board approved the motion allowing IFTA, Inc. to fund this award.

The 4Q 2013 Board meeting and the IFTA / IRP Managers' and Law Enforcement Workshop have been scheduled. The Board meeting will be held October 21 – 22, 2013 with the workshop following immediately thereafter, beginning October 23 and concluding October 25. Both meetings will be held at the Hilton in Mesa, AZ.

Board liaison, Ms. Rowen, presented the Audit Committee (AC) report. During the 2Q 2011 Board meeting, the ITAC submitted a report to the Board along with recommendations for changes to P600. The Board accepted this report and charged the AC with reviewing the work product from an audit perspective to determine whether minimum requirements can be developed for tax reporting from electronic vehicle tracking systems and

developing audit criteria that must be met by motor carriers and is acceptable to member jurisdictions.

The committee is in full agreement that it is possible to move forward with changes to P600 which addresses both the industry's desire to utilize electronic technology and provide jurisdictions with the required information to conduct an audit of electronic records. It was the Board's decision that the AC proceed with a ballot proposal written specifically for P600. IFTA, Inc. will release this ballot submission as a pre-ballot proposal and request feedback for the committee. A comment period will allow jurisdictions to review this pre-ballot for fifteen days prior to the start of the official first comment period. The Board will keep this specific AC charge open pending the outcome of the pre-ballot commentary period.

Senior Director, Mrs. Debora Meise, presented an update on the program compliance reviews. Of the fifteen reviews scheduled for 2012 eleven have agreed to an electronic review (e-review). British Columbia, Montana, Oregon, and Washington have all requested on-site reviews. It was noted that travel and participation remain an issue for membership even with the e-reviews. To date all reviews have been staffed and a "short list" of backups has been compiled should there be cancellations.

Informational webinars are in the final stages of development for jurisdiction and reviewer training of e-reviews. IFTA, Inc. plans to host a webinar in late February.

Mr. Greenawalt, Program Compliance Review Committee (PCRC) Board liaison, provided this report. The committee has expanded their membership to mirror other standing committees. The committee is also anticipating several vacancies in both the western and northeast regions. A subcommittee, consisting of members from the APC and PCRC, has drafted a ballot proposal to clarify the requirements for filing and IFTA tax returns. This ballot will be presented this year.

Board liaison, Ms. Platt, presented the Dispute Resolution Committee (DRC) report. The committee continues to work on the charge from the Board and has completed three of the six action items contained in the charge to date. Updates were provided on the following open charges.

3.1 Incorporating additional steps in the DRP to allow for early intervention from an independent party to facilitate communications among the parties. The DRC is working on a flow chart and will present this to the Board at the 2Q 2012 Board meeting.

3.5 Determining and clarifying the authority of the DRC and the Board regarding resolution of disputes. It was the position of the committee that this charge has been addressed and is considered complete by the committee.

3.6 Developing a timeline from start to finish for the DRP, including any arbitration and appeal. The committee has tabled this charge until they have completed charge 3.1.

Because of a high turnover on the committee and as a means to test various provisions in the Agreement and DRP, a series of mock disputes have been developed to review, evaluate, and develop findings on the applicable complaints. These disputes are scheduled to conclude by mid-2012. The committee currently has a vacancy in the Midwest region. Committee terms were reviewed and it was noted that the representatives from both the western and southeast regions appear to term out at the same time. IFTA, Inc. will look into this issue to determine if the dates shown are accurate.

Mr. Eisinger reported on the activities of the IAC. The committee met during the January IFTA / IRP Audit Workshop and discussed jurisdictions which some members of the industry believe are not following the spirit of the IFTA Agreement and are making it more

difficult for carriers to obtain their license and decals. Three separate instances were presented to the Board in this regard. It was reported that late in the just completed 2012 renewal season a jurisdiction began denying IFTA licenses to carriers whose principal place of business was not in that state. Another instance had a jurisdiction requiring odometer readings for all vehicles in the fleet that were to be licensed under the IFTA. The last instance reported was a jurisdiction attempting to have taxpayers based out of state pay a hazardous materials handling tax on fuel use basis. The IAC asked the Board to remind membership that despite the economic hardships, IFTA's future success could be jeopardized unless all members demonstrate a strong commitment to the spirit as well as to the letter of the Agreement.

The IAC charge from the Board was reviewed. The Board had charged the committee with identifying issues and opportunities facing our partnership and providing suggested solutions. The IFTA IAC Strategic Goals was then presented for review. These goals expressed industries perspective on the partnership with IFTA. It was noted that this partnership could be enhanced by broader opportunities for industry to participate in IFTA. Concluding the discussions the Board determined that the

IAC has met and completed its charge.

Mr. Hester, Agreement Procedures Committee (APC) Board liaison, presented this report. The committee has begun drafting the agenda for the 2012 IFTA / IRP Managers' and Law Enforcement Workshop and will be in monthly contact with both the Law Enforcement Committee (LEC) and IRP, Inc. Recruiting has begun to fill vacancies in the Southeast and Midwest regions. The committee is also reviewing the APC New Members Guide and the Best Practices Guide. Discussions continue in the committee regarding whether or not English should be the recognized language of the IFTA and if it should be required on all IFTA forms. This discussion began as a result of audits being submitted to US jurisdictions in a language other than English with the preface that the Agreement did not require the documents to be translated to English.

Board liaison to the ITAC, Mr. Hester, offered this committee report. A subcommittee had been formed to address the previous Board charge regarding roadside enforcement. A survey was distributed to membership pertaining to information sharing. Included in this questionnaire was membership's opinion regarding sharing information between IFTA and IRP. The

Board then moved to draft a ballot proposal that would establish the ITAC as a standing committee.

The Board approved the committee roster for the newly developed Commissioner Training Committee (CTC). Mr. Russell Holleger (DE) was approved as Chair of the committee. Other members include Mr. Julian Fitzgerald (NC), Mr. Rollie Marr (IL), Ms. Earleen Weaver (WY), Ms. Marge Noll (MN), Ms. Carla Pape (ID), and Ms. Cindy Swanson (CA). This committee was charged with identifying needs for training, recommending how any training needs could be met and determining whether to develop written materials, a webinar, or both. A survey will be developed for membership to assist in identifying content for a training program.

Mr. Hinkley, LEC Board liaison, presented this report. The Board approved the appointment of Lt. William Haynes (NH) to the committee. The LEC continue to actively recruit for new members and are planning for the upcoming M&M Blitz. During discussions regarding the IFTA decals it was noted that while the decal may be flawed it remains a first sighting of carrier compliance and that, at this time, there is no substitute that could replace the IFTA decal.

Mrs. Meise reviewed the 2011 ballots. Ballot 1-2011 did not pass. The intent of this ballot was to require jurisdictions to include the license “issued date” on the license itself. Ballot 2-2011 did pass and became effective upon passage. The intent of this ballot is to remove the term “one registration year” and replace it with “one license year”.

Discussion was had regarding the number of members not voting. Concern was expressed over the failure of ballot 1-2011 being due to lack of voting as opposed to those who were in opposition of the ballot. The Board decided that this issue will be addressed with membership during the Annual IFTA Business Meeting.

Mr. Greenawalt presented the IRP, Inc. Board of Directors report. Mr. Shaun Hammond (AB), Mr. Peter Hurst (ON), Mr. Robert Ide (VT), Mr. John Poole (TX), and Mr. Art Farley (WA) were all elected to serve on the IRP, Inc. Board of Directors effective January 1, 2012. Mr. Jay Starling (AL) serves as Chair of the Board and Mr. Mike Robertson (NC) serves as the AAMVA representative. IRP, Inc. is undergoing a lot of transition as the organization is relocating their main offices and will be outsourcing their IT infrastructure and clearinghouse IT support in the near future. With the resignation of Ms. Mary Pat Paris as the Executive Director of IRP, Inc., Mr. Tim

Adams has been named the IRP, Inc. Interim Executive Director.

In depth discussions were had regarding the Re-Audit and Re-Examination Working Group (RRWG) report and the current Board charge to the working group. Concluding these discussions it was decided that a letter would be issued to the RRWG thanking them for their diligent work and proposal and show that the committee has completed the Board charge as directed. A flow chart had also been provided to the Board which addressed the issue of having re-audits and re-examinations as part of the audit process. It was the decision of the Board that the RRWG needs to provide definitions pertaining to the audit reports outlined in the provided flow chart. Once these terms are defined the flow chart could be forwarded to the AC and ASSC for review and comment.

Ms. Turner reported on the activities of the IFTA / IRP Board Subcommittee. It was observed that the future holds a lot of positive interactions between IFTA, Inc. and IRP, Inc.

The Board then reviewed the IFTA, Inc. Strategic Plan. Prior to the Board meeting the IFTA Committee Chairs Guide had been reviewed and amended pursuant to their message board exchange. During this exchange the Board had moved to approve

the Committee Chairs Guide as amended. This motion was approved during the Board meeting.

The financial report was presented by Ms. Turner and the Board reviewed the organization’s portfolio. The organization remains financially sound.

Following the conclusion of the business discussions the First Quarter 2012 IFTA, Inc. Board of Trustees was adjourned.
