2013 RENEWAL Grace Period Memo

For those calling into our office regarding the 2013 Renewal Grace Period Memo, it has been posted on our homepage at www.iftach.org

We'd like to thank those jurisdictions that supplied a sample of the 2013 IFTA decal. These decals are docked on a jurisdiction's web page under the One Stop Shop tab on our website and are a great means of identifying your jurisdiction's specific page. To verify if your jurisdiction has forwarded either an electronic copy (in color) or a sample decal through the mail, please check your web page by clicking on the One Stop Shop tab. Thanks!

IFTA, INC. CLEARINGHOUSE UPDATE

By: Jason DeGraf, Information Services Director (jdegraf@iftach.org)

British Columbia is now a Read Only Member

We would like to welcome British Columbia as the newest Read Only member of the IFTA, Inc. Clearinghouse.

This means your jurisdiction no longer needs to send Transmittal or Demographic Data to British Columbia. In addition you may now use the IAR Report Database to post IAR's to British Columbia and they will be able to download them from the Clearinghouse.

User Control Panel

I have added a small User Control Panel for users to update their e-mail address if needed. Often I have an old e-mail address of yours in our database due to the fact that e-mail address will change often for many jurisdictions. So if you would like you are free to go in and update your email address if needed. In the near future we will provide a more substantial user panel with more features.
