## IFTA, INC. CLEARINGHOUSE UPDATE

By: Jason DeGraf, Information Services Director (jdegraf@iftach.org)

### 2 New Transmittal Reports

A request came in from a jurisdiction for a report to 'total' based on all fuel types. This is broken down by year and year to date for 2013 and 2014 only. You can find this on the REPORT Tab and they are called Fuel Types Report 2 and 3.

### British Columbia

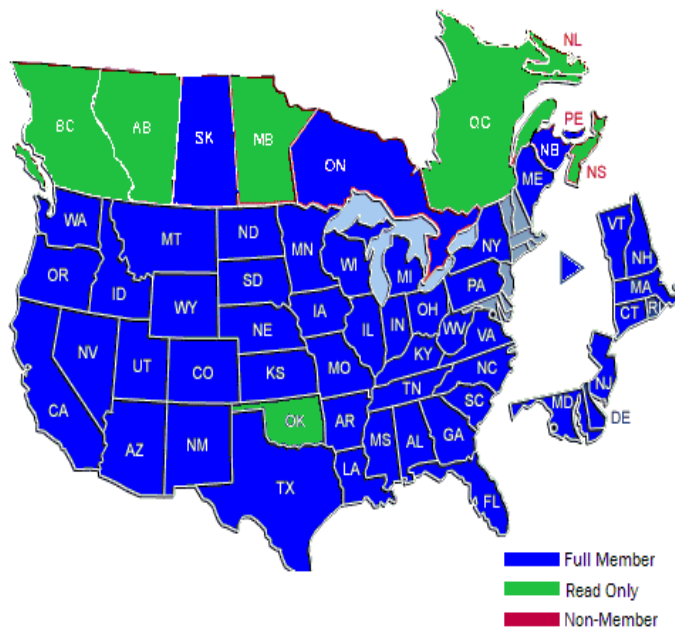

BC Demographic data can now be found on the Clearinghouse Demographic pages.

### Quebec

Quebec is now an official read-only Clearinghouse member.

### Signing up Clearinghouse Users

All Clearinghouse User Registration sign-ups are done on [www.iftach.org](http://www.iftach.org). This bears repeating as I get a lot of messages that I should sign up such and such a user when the Jurisdiction needs to do that.

### RAW DATA

For those Jurisdictions still entering IFTA data manually, please consider using any of the numerous downloadable files on the Clearinghouse. This will eliminate a majority of data entry on your part. Just ask if you have any questions.
