

# **Welcome to the Town Hall Session**

of the  
**2015 IFTA / IRP Audit Workshop**  
**San Antonio, TX**

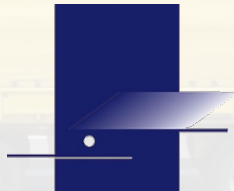

A large yellow semi-truck is positioned in the background of the lower half of the slide. The truck is facing left and is partially obscured by the text.

**Anthony Madsen, WA – IRP AC Chair**

# Topics

- IRP Inadequate Records Assessments – The fleet as a whole is inadequate, but the base has proof of a lack of intent for 1 or more vehicles. What do we do?
- Combined IFTA / IRP audit – The records are inadequate for IRP, but not for IFTA because we have fuel. What do we do?
- Now, what else do you want to talk about?
