

Register now to file your IFTA return online. It's simple, convenient, and only takes a few minutes.

Benefits of filing online:

- the online return will do all your calculations for you, reduced errors = reduced delays;
- paper tax returns with errors may not be processed in a timely manner and may be returned to you for corrections;
- submit payments online at the same time
- filing of a return can be done online, anywhere at anytime

**Get your refund back faster!**

Fill out the registration form enclosed to start the process.
