**R1630 ACCEPTANCE OF AMENDMENTS**

- .100 Votes on amendments or interpretations must be cast by the commissioner or a delegate named in writing by the commissioner.
- ~~.200~~ A quorum is required to amend the Articles of Agreement, Procedures Manual, or Audit Manual. If a ballot is circulated for vote when not at an open meeting of the member jurisdictions, a quorum is present when two-thirds of the total eligible member jurisdictions cast a vote or cast an abstaining vote. An abstaining vote is considered present, and therefore, is included for purposes of determining whether a quorum is present. Abstentions are not considered to be a vote cast and will not affect the outcome of the vote.
- ~~.200,300~~ An affirmative vote in writing of three-fourths of the ~~total-eligible~~ member jurisdictions who voted is required to amend the Articles of Agreement, Procedures Manual, or Audit Manual. For purposes of this section, a vote submitted electronically through a mechanism provided by the International Fuel Tax Association, Inc. is deemed a vote in writing.
- ~~.300,400~~ Eligible member jurisdictions may abstain from ~~voting, but a final ballot proposal may still not be adopted without the affirmative vote of three-fourths of the total member jurisdictions.~~ voting.
- ~~.400,500~~ Eligible member jurisdictions that do not vote on an amendment within the required time limits are considered to have voted in the negative, except as provided in IFTA Articles of Agreement Section R1655.
