Notice regarding the 2020 Annual IFTA Business Meeting change to a virtual meeting

The IFTA, Inc. Board of Trustees has continued to monitor events related to COVID-19 and with the recent rise in cases in the state of AZ and other travel concerns or restrictions placed upon our membership, the difficult decision was made to cancel the in-person Annual IFTA Business Meeting scheduled for August 12th and 13th, 2020 in Tempe AZ.

We will instead hold a virtual Annual IFTA Business Meeting during either or both of the same scheduled days, August 12th and/or August 13th, with a condensed agenda that focuses on just the membership's business items for discussion and vote. More details on the virtual meeting will be forthcoming as soon as it is finalized.

This decision was not made easily. We realize that a virtual meeting can never take the place of an in-person meeting and the lost opportunity to network with your fellow members, but the safety of our stakeholders continues to be our primary concern.

We look forward to your participation at the virtual meeting and hope that we can meet again in 2021.

Sincerely,

Carmen Martorana Jr, CPA, MST
