Quality Issues with the Alberta 2016 IFTA Decals

Alberta Treasury Board and Finance, Tax and Revenue Administration (TRA) have been receiving reports from carriers experiencing quality issues with some Alberta 2016 International Fuel Tax Agreement (IFTA) decals.

Carriers have reported about decals not adhering properly, portions breaking off, decals completely falling off, and numbers fading and/or missing entirely.

At this time the frequency has not been widespread enough to warrant a complete re-issuance of the decals and Alberta is providing replacement decals to affected carriers at no charge.

We are requesting jurisdiction law enforcement officials take this into consideration if questioning an Alberta carrier with a valid 2016 IFTA license certificate, but with a missing or defective 2016 Alberta IFTA decal.

If you have any questions regarding this matter please contact TRA at 780-427-3044 - Monday to Friday, 8:15 a.m. to 4:30 p.m. MT, or if calling toll free within Alberta: dial 310-0000, then 780-427-3044.
