Ms. Turner:

Further to my discussion with Ms. Amanda Koeller, I am including information from my previous e-mail to you on March 26, 2015 about the fuel tax rate change in Alberta as follows:

As part of Budget 2015, Alberta will increase its fuel tax rates effective 12:01 a.m. on March 27, 2015. The new rates in Canadian dollars per litre will be as follows:

- Gasoline : \$0.1300
- Diesel : \$0.1300
- Gasohol : \$0.1300
- Propane : \$0.0940
- Ethanol : \$0.1300
- Methanol : \$0.1300
- E-85 : \$0.1300
- M-85 : \$0.1300
- A55 : \$0.1300
- Biodiesel : \$0.1300

Alberta will update the 2nd quarter 2015 fuel tax rates table accordingly.

IFTA carriers may continue to use the current Alberta IFTA quarterly tax return for the period January 1, 2015 to March 31, 2015, which reflects the old fuel tax rates. If the carriers pay tax at the new rates on fuel purchased between March 27, 2015 and March 31, 2015 and wish to make an adjustment to their return for the additional amount of tax paid, please make a written request to Alberta Treasury Board and Finance, Tax and Revenue Administration (TRA). TRA may ask for documentation to support the request and reserves the right to audit the adjustment.

Please include the information on the IFTA website as necessary.

Thank you.
