

NOTICE TO IFTA JURISDICTIONS

June 29, 2022

RE: 2022 IFTA Decal Shortage - Alberta

Due to unprecedented requests for registrations and additional decals during the current licence year, Alberta is awaiting fulfilment of a second order of decals. In the interim, Alberta Treasury Board and Finance, Tax and Revenue Administration (TRA) will continue to process 2022 IFTA licence applications and additional decal requests, and will issue physical decals as soon as they are available.

Enforcement officers may encounter Alberta carriers that hold a 2022 licence, but do not have the required decals. TRA requests that other IFTA jurisdictions suspend enforcement action on Alberta IFTA carriers that can produce both a 2022 Alberta licence and a letter issued by TRA authorizing operation without the required decals.

Alberta will post a subsequent notice revoking this request at the appropriate time.

Sincerely,

James Ackroyd, CPA-CMA, LLB.
