

NOTICE TO IFTA JURISDICTIONS

November 21, 2024

Re: ALBERTA - 2024 Canada Post Strike

Please be advised that as of November 15, 2024, Canada Post and its workers' union announced a nationwide postal strike, resulting in mail disruption across Canada. As such, the jurisdiction of Alberta has placed a hold on the mailing of 2024 and 2025 IFTA decals until postal services resumes.

During this mail disruption, we are requesting that enforcement agencies in other jurisdictions take this into consideration before issuing citations to Alberta based carriers. Alberta carriers will still be able to produce a current and valid Alberta IFTA license either digitally or in hard copy.

We apologize for the inconvenience.

Sincerely,

James Ackroyd, CPA-CMA, LLB
IFTA Commissioner, Alberta
Alberta Treasury Board and Finance
