IFTA, Inc. Team Member Changes

IFTA, Inc. is very excited to announce the addition of our newest team member, Ms. Nicole Alvey, Administrative Assistant. Nicole brings skills, administrative experience, high energy, and most importantly, an enthusiasm to learn everything there is about our industry. She will be a great addition to our team and will help fill the immense void left by our own Debbie Meise who has moved to a part-time position for the next year before retiring completely in June 2026.

Let's face it, there is no replacing Debbie, ever, and I mean ever! Debbie will always be the face of IFTA and that glue that somehow seems to hold us together. We are grateful that she agreed to give us one more year as a part-time employee before shuffling off into a much-deserved retirement where she and Terry can in fact, enjoy their favorite pastime and participate in shuffleboard tournaments from around the world (Germany in September).

While there is no replacing Debbie, we think Nicole will be a great addition to assist with some of the administrative functions and will continue to learn and grow with us in a long-term career position advancing to more responsibilities in the future.

As we transition our newest team member into the organization and transition away from our most tenured employee, we will work hard to communicate with our stakeholders on the changing responsibilities of our team so you are made aware of who can assist you in the future.

Please join me in welcoming Nicole to the team!

Sincerely,

Carmen Martorana, Jr. CPA, MST
