RE: Defective IFTA Decals for Utah Carriers

Please distribute the following to all Law Enforcement agencies.

Utah is experiencing quality issues with some of the 2011 International Fuel Tax Agreement (IFTA) decals issued to Utah based carriers. The decals are fading, leaving the decals white in color, showing only the decal number.

As required, replacement decals will be issued to carriers that have defective IFTA decal(s). In the meantime we ask law enforcement officials to take this issue into consideration if the carrier has a valid IFTA License certificate issued to them but the IFTA decal is defective.

Should you have any questions regarding this matter, please contact Motor Carrier Services, of the Utah State Tax Commission, at 801-297-6800 or 1-888-251-9555 during normal business hours.

Respectfully

Mark Kaleta, Manager
