

**Georgia Motor Fuel Tax
Suspension of Georgia Motor Fuel Taxes
2026 International Fuel Tax Association (IFTA) Return Filing Guidance
May 19, 2026**

Governor Brian P. Kemp has extended the 60-day suspension of the state's excise tax on motor fuel sales. All motor carriers who are licensed with the International Fuel Tax Association (IFTA) and traveling in Georgia are exempt from motor fuel excise tax from May 20, 2026, at 12:00 a.m., through June 2, 2026, at 11:59 p.m. This is due to the declaration of a State of Emergency for the State of Georgia and the signing of an Executive Order 05.15.26.02 by Governor Brian P. Kemp extending the suspension of collection of motor fuel excise tax through June 2, 2026.

Motor carriers will be able to purchase qualifying motor fuel tax-free and travel non-taxable miles in the State of Georgia during this suspension period. IFTA returns are still required to be filed for the quarters that include this tax-free period. Please ensure that all fuel purchases are reported on IFTA returns to accurately reflect your miles per gallon (MPG) for the suspension period. Reporting should include both tax-free and tax-paid purchases. As of the effective suspension date of May 20, 2026, through June 2, 2026, all miles traveled in the State of Georgia should be reported as non-IFTA miles.

On the IFTA return, all filers should report all miles traveled and fuel gallons purchased in Georgia for the suspension period as non-taxable miles and non-taxable gallons. Please use the following instructions for reporting activity from 5/20/2026 through 6/02/2026:

- Report all miles traveled in Georgia during the suspension period in Total Miles
- Exclude all miles traveled in Georgia during suspension period in Total Taxable Miles
- Report tax-free fuel gallons purchased in Georgia in Total Gallons
- Exclude tax-free fuel gallons purchased in Georgia in Tax-Paid Gallons

It is important for all motor carriers to maintain all mileage and fuel records during this suspension period to support filed IFTA returns.
