Attn: IFTA MEMBER JURISDICTIONS:

Due to systems error that we are working to correct, we have come to find that we have a number of Georgia carriers who have in fact registered and Paid for their IFTA decals while not having their Decals show "processed" through our computer systems. This has caused a number of Decals to not have been sent out in timely enough manner in which to arrive with carriers by their expiration dates of February 28, 2013.

Georgia Department of Revenue, Motor Vehicle Division would like to request that fellow IFTA Member Jurisdictions not carry out enforcement on Georgia licensees during this 30day grace period of February 28th-March31st, that way ensuring all IFTA Carriers who have paid their registrations have time to receive decals and have them distributed to all vehicles. Questions or concerns, please do not hesitate to call or contact.

Thank you in advance for your consideration,
