

## NOTICE TO IFTA JURISDICTIONS

October 2, 2025

### **RE: Impact of Canada Post Strike on Payments with Newfoundland and Labrador**

Please be advised that as of September 25, 2025, Canada Post employees have gone on strike which has disrupted mail delivery, including the distribution of IFTA payments via cheque between NL and other jurisdictions.

To avoid any delay in IFTA payments from NL, it is recommended that IFTA jurisdictions become setup for electronic payment, if you have not already done so.

Each jurisdiction is currently setup as a Supplier with Government of NL and would need to provide banking details to complete the set up for electronic payments. This can be accomplished by providing information through the following link - <https://www.gov.nl.ca/fin/supplier-form/>

Our staff are available to assist with this setup and can be reached via e-mail at [TaxRegistration@gov.nl.ca](mailto:TaxRegistration@gov.nl.ca) or through phone at 1-877-729-6376.

We appreciate your patience during this postal disruption, while we continue to work towards joining the IFTA Clearinghouse.

Sincerely,

A handwritten signature in blue ink, appearing to read "Glenn Lockyer".
