IFTA Commissioners,

Attached is a memorandum from the Jurisdiction of Kentucky regarding an Emergency Executive Order reducing the motor fuel tax rates on gasoline, diesel fuel, and other special fuels, by 10 cents effective May 11<sup>th</sup> for a period of 30 days. However, Kentucky did not submit this change in tax rates to the IFTA Tax Matrix before the second quarter deadline. Therefore, under P1120.300, jurisdictions are relieved from taking extraordinary measures to implement the change in tax rates.

If you have any questions about the KY Emergency Executive Order, please contact the Division of Motor Carriers at [tax.dmc@ky.gov](mailto:tax.dmc@ky.gov).

Sincerely,
