I am very pleased to announce that Ms. Marisa Elliott will be joining the IFTA, Inc. team effective 08/01/2026.

Ms. Elliott has extensive experience with compliance, auditing, and administration of the International Fuel Tax Agreement. She is joining our team after a 10-year impressive career at the North Carolina Department of Revenue. She is a current member of the IFTA Audit Committee and has been part of the IFTA Educational Forum Planning Committee and a presenter at this year's Educational Forum. She completed her Bachelor of Science degree in Business Administration and Accounting at the University of North Carolina.

She will be the new Regulatory Compliance Director and will be focusing her attention on assisting jurisdictions and our Program Compliance Review Committee with analytics associated with Program Compliance Reviews and with internal audit functions. As a director, she will also be involved in decision making, assisting our membership with issues that arise, and enhancing our operations as we move forward with future challenges and completing the tasks on our new Strategic Plan.

Please join me in welcoming Ms. Elliott to the IFTA, Inc. team.

Sincerely,
