RE: Missouri 2025 IFTA License and Decal Delay – UPDATE

Due to delays in obtaining decal manufacturing material, Missouri was unable to complete the issuance of 2025 IFTA licenses and decals prior to December 31, 2024.

Missouri recently received the 2025 IFTA decals. All IFTA licenses in good standing as of 1/2/2025 have been renewed. The IFTA licenses and decals were sent from MoDOT on 1/8/2025.

To allow time for licenses and decals to reach carriers:

Missouri requests all IFTA jurisdictions continue suspension of enforcement action on Missouri carriers who can produce a valid 2024 Missouri IFTA license but cannot display a 2024 decal on the power unit until 2/28/2025.

Your patience and consideration are appreciated as we have worked through this delay.

Sincerely,

Aaron Hubbard
Director, Motor Carrier Services
