Re: 2017 Idaho Nontaxable Miles

Idaho Nontaxable Miles for IFTA Licensees

Effective the first quarter of 2017, Idaho nontaxable miles cannot be reported on your IFTA return, Form 3150. If you travelled off-highway in Idaho, you must complete a 75-NM worksheet and Form 75 to claim a refund:

- You can find the 75-NM worksheet and Form 75 with instructions online at tax.idaho.gov/ifta.
- When completing the 75-NM worksheet and Form 75, use the same tax identification number (EIN or SSN) as you would use when filing your Idaho income tax return.
- Include the 75-NM worksheet and a copy of your IFTA return when you file your Form 75.

If you did not travel off-highway, please disregard this notice.

If you have any questions, email the IFTA Helpdesk at iftahelpdesk@tax.idaho.gov or call (208) 334-7773 in the Boise area or toll-free at (800) 976-7660, ext.7773
