Re: Ohio 2009 IFTA Decals

The state of Ohio is experiencing problems with our 2009 decals. It has come to our attention that the adhesive is not properly bonding the decals to the vehicles.

We are taking steps to resolve this matter as quickly as possible.

Ohio is asking that Ohio carriers not be cited for improperly displaying 2009 decals when the carrier has a valid Ohio IFTA license on board.

Please forward this notice to your jurisdiction's law enforcement personnel. If you or any of your law enforcement officers have any questions, please contact:
