Dear Fellow IFTA Jurisdictions and Law Enforcement Agencies,

Please be aware that Indiana is awaiting fulfillment of 2023 IFTA decals due to supply chain issues and a production material shortage. In the interim, the Indiana Department of Revenue Motor Carrier Services Division will continue to process 2023 license applications and renewals. We will be issuing physical decals as soon as they become available.

Law enforcement officers may encounter Indiana carriers that hold a valid 2023 IFTA license, but do not have the required decals displayed on the vehicle. We request that Indiana and other IFTA jurisdictions suspend enforcement action of Indiana carriers that can provide a copy of the 2023 IFTA license and this document without the required decals displayed.

MCS apologizes for any inconvenience and appreciates your patience regarding this matter. If you have any questions, contact the Fuel Tax department at MCS by email at [indianamotorfuel@dor.in.gov](mailto:indianamotorfuel@dor.in.gov) or phone at 317-615-7200, Option #1.

Sincerely,

A handwritten signature in black ink that reads "Randal L. Boone".
