Dear Ms. Turner,

Indiana will grant an emergency exemption for Utility vehicles traveling into Indiana for the purpose of assisting with transporting emergency equipment due to Hurricane Irene. Conditions for granting this exemption allow for immediate aid and support to travel through Indiana to assist other states for emergency response and recovery.

Indiana will allow for an **emergency exemption** from IFTA and IRP regulations through Friday, August 26, 2011 through Sunday, September 18, 2011. Please refrain from taking enforcement action on any Utility vehicle assisting with the transportation of emergency equipment until 12:00 a.m. Monday, September 19, 2011.

For more information or questions regarding this please contact me at (317) 615-7257.

Best Regards,
