**RE: Defective IFTA Decals for Massachusetts Carriers**

Please distribute the following to all Law Enforcement agencies.

Massachusetts is experiencing quality issues with some of the 2012 International Fuel Tax Agreement (IFTA) decals issued to Massachusetts based carriers. The red color on the defective decals have various degrees of fading; whereas the decal numbers are clearly visible..

As required, replacement decals will be issued to carriers that have defective IFTA decals. We are requesting that law enforcement officials to take this issue into consideration if the carrier has a current valid IFTA License but the IFTA decal is defective.

Should you have any questions regarding this matter, please contact Massachusetts IFTA Operations at 617-887-5080 during normal business hours.

Thank you.

Sincerely,

Laura Chan  
Massachusetts IFTA Commissioner
