NOTICE TO ALL IFTA JURISDICTIONS

RE: EMERGENCY DECLARATION – COVID-19 PANDEMIC UPDATED EXTENSION OF WAIVER OF IFTA CREDENTIALS

In response to the COVID-19 pandemic, the Government of Manitoba has declared a state of emergency under *The Emergency Measures Act*. As a result, the Taxation Division office is closed to the public and it may not be possible to process applications for IFTA licences and decals on a timely basis. Manitoba has therefore temporarily waived the requirement for IFTA credentials for Manitoba carriers until September 21, 2020. Additionally, Manitoba is waiving all IFTA credential requirements for carriers travelling in Manitoba until September 21, 2020.

Manitoba is requesting that agencies in other jurisdictions suspend enforcement action on Manitoba IFTA carriers travelling through their jurisdictions until September 21, 2020 if the vehicle operator does not carry a Manitoba IFTA licence or display IFTA decals.

Sincerely,

Leanne Tsai, CPA, CA
Manitoba IFTA Commissioner
Senior Management and Research Officer
