Re: Mississippi's 2009 IFTA Decals Fading

Please forward this notice to all your jurisdiction's law enforcement personnel in the event that a Mississippi IFTA licensee is stopped in your jurisdiction for not displaying a current IFTA Decal.

The state of Mississippi is currently experiencing problems with our 2009 IFTA Decal. The decals are fading or are falling off the vehicle when it is washed. We are working with the vendor to correct the problem as quickly as possible.

Mississippi is asking that the Mississippi IFTA licensees not be penalized for a decal that has faded or has fallen off the vehicle and the licensee has a 2009 IFTA license. This decal will in some cases only show the serial number on the decal because all of the color has washed out of the decal.

If you or any of your law enforcement personnel have any questions regarding the 2009 IFTA decal, please have them call 601-923-7150 for assistance.

Sincerely,

George L. Higdon
