RE: 2021 Missouri Fourth Quarter Fuel Tax Increase

Dear Mr. Martorana:

Governor Mike Parson of Missouri recently signed a law that will increase the state's fuel tax rate for the first time in 25 years. Beginning in the fourth calendar quarter of 2021, the fuel tax rate per gallon for Gasoline, Special Diesel, Gasohol, Ethanol, E85, M85 and Biodiesel will increase by \$.025, or 2.5 cents. The fuel tax rate will continue to increase \$.025 at the start of the third quarter each year thereafter up to 2025 for a total increase of \$.125, or 12.5 cents.

Missouri will upload these quarterly tax rate changes at least 60 days prior to the date quarterly tax returns are due for each fuel tax increase. Again, the increases begin October 1, the first day of the fourth quarter of 2021 and continues as indicated in the following table:

DATE OF TAX INCREASE	DATE REPORTED TO IFTA	AMOUNT OF INCREASE/TOTAL STATE RATE
Sept. 30, 2021	BASELINE	\$.017/gallon
Oct. 1, 2021	Nov. 1, 2021	\$.025 \$.0195/gallon
July 1, 2022	Aug 1, 2022	\$.025 \$.022/gallon
July 1, 2023	Aug 1, 2023	\$.025 \$.0245/gallon
July 1, 2024	Aug 1, 2024	\$.025 \$.027/gallon
July 1, 2025	Aug 1, 2025	\$.025 \$.0295/gallon

This notice is provided in compliance with IFTA, Inc., procedures, section P1120.100 and P1120.300.

Please let us know if you would like any additional information from Missouri prior to the 60-day quarterly tax rate change notification on November 1, 2021.

Sincerely,

Jerica Holtsclaw  
Motor Carrier Services Director
