RE: 2025 Missouri First Quarter Fuel Tax Increase

Dear Mr. Martorana:

Beginning in the first calendar quarter of 2025, the Missouri fuel tax rate per gallon for propane, liquified natural gas, and compressed natural gas will increase by \$.06, or six cents. There are no changes in rates for other fuel types.

Missouri will upload these quarterly tax rate changes at least 60 days prior to the date quarterly tax returns are due for each fuel tax increase.

This notice is provided in compliance with IFTA, Inc., procedures, section P1120.100 and P1120.300.

Please let us know if anything additional is needed.

Sincerely,

Aaron Hubbard

Motor Carrier Services Director
