Re: 2015 fading decals

It has been reported that some 2015 Maine IFTA decals are fading. We would ask that jurisdictions continue to honor Maine's 2015 decals whenever possible.

Maine IFTA account status information may be verified through SAFER, through the IFTA Clearinghouse, or by calling 207/624-9000 ex. 52136.

We apologize for any inconvenience.
