November 12, 2026

We would like to announce that **Maria Coronado**, our Program Compliance Review Facilitator, has decided to officially retire after serving IFTA, Inc. in a reduced part-time capacity. Maria is looking forward to beginning this exciting new chapter and enjoying all that retirement has to offer.

Effective immediately, please direct all correspondence regarding the Program Compliance Review process to **PCRCreviews@iftach.org** rather than emailing Maria directly.

**Marisa Elliott, Director of Regulatory Compliance**, will assume responsibility for overseeing all aspects of the Program Compliance Review process in coordination with the Program Compliance Review Committee (PCRC). Marisa will monitor the designated email account and respond to inquiries to ensure a seamless transition and continued support for our member jurisdictions.

On behalf of the entire team at IFTA, Inc. and the IFTA Board of Trustees, we extend our sincere appreciation to Maria for her dedication, contributions, and service to the organization and our member jurisdictions.

**Please join us in wishing Maria a long, healthy, and happy retirement!**

Sincerely,

Carmen Martorana, Jr. CPA, MST
Executive Director, IFTA, Inc.
