Subject: Emergency IRP waiver

To Whom It May Concern:

On August 28, 2017, Governor Brian Sandoval extended assistance in disaster relief resulting from hurricane Harvey. Under the provisions granted in NRS 706.561, the Department is granting a waiver of trip permits and fees for those vehicles being used specifically to assist with hurricane relief efforts. A copy of this letter must be retained in each vehicle operating under this waiver while traveling through Nevada.

This waiver is limited to the fees associated with temporary registration and fuel taxes in the State of Nevada only. This waiver does not imply or grant an exception to any Federal laws administered by the Federal Motor Carrier Safety Administration or U.S. Department of Transportation.

This waiver is good until 5:00 pm on September 30, 2017, or upon completion of the hurricane efforts, whichever comes first.

Sincerely,

Nevada Department of Motor Vehicles
