

STATE OF WASHINGTON
DEPARTMENT OF LICENSING
PO Box 9228 • Olympia, Washington 98507-9228

September 4, 2020

To whom it may concern:

Due to an unexpected data issue, certain Washington IFTA licenses and IRP registration records incorrectly show a “Revoked” status in various law enforcement systems. Washington State therefore requests non-enforcement of revoked IFTA licenses and IRP registrations, effective immediately through 11:59pm local time on Friday, September 18, 2020 while we address the issue and correct the impacted records.

Motor carriers and drivers currently subject to an out-of-service order are not eligible for the relief granted by this request until they have met the applicable conditions and the order has been rescinded by the Federal Motor Carrier Safety Administration or the Washington State Patrol.

Sincerely,

/s/
