From: The Ohio Department of Taxation

RE: Ohio 3rd Quarter 2020 Rate Matrix Correction

Date: 9/9/20

This notice serves as notification that the third quarter rate matrix was not updated with the proper tax rate for Compressed Natural Gas(CNG). Ohio's section of the matrix should have been updated to advise that the new rate for CNG was \$0.20 effective July 1st, 2020. See the chart below for Ohio's correct tax rate for the 3rd Quarter:

Table with 16 columns: 3rd Quarter 2020, Gasoline, Special Diesel, Gasohol, Propane, LNG, CNG, Ethanol, Methanol, E-85, M-85, A55, Biodiesel, Electricity, Hydrogen. The CNG cell for Ohio is highlighted with a yellow background and contains the value \$0.2000.

CNG has been highlighted indicating the correct tax rate for the 3rd Quarter 2020.

Jurisdictions or motor carriers with questions may contact the Excise and Energy Division at (855) 466-3921, Monday through Friday, 8 a.m. – 5:50 p.m. EST.

Sincerely,

Ohio Department of Taxation
Excise and Energy Division
