Re: 2018 IFTA License and Decals

The Oregon Department of Transportation, Motor Carrier Transportation Division, has experienced a quality issue with the printing of our 2018 IFTA decals. To date, we have only mailed approximately 22,000 decals and anticipate all decals mailed to our carriers by February 28, 2018.

Oregon is requesting jurisdiction law enforcement officials to not cite our carriers operating in your jurisdictions with current, active 2017 IFTA decals through March 15, 2018. This will allow sufficient time for our carriers to receive and display the 2018 decals on their vehicles.

We appreciate your consideration on this matter and apologize for any inconvenience this may cause. If you have any questions, please contact Melody Tavares at 503-373-1987.

Sincerely,

Melody Tavares  
IFTA System Administrator  
Oregon Department of Transportation  
Motor Carrier Transportation Division
