**EMERGENCY DECLARATION
WAIVER OF IFTA REQUIREMENTS FOR PENNSYLVANIA**

Due to recent severe weather which has resulted in power outages throughout Pennsylvania and our neighboring states, and relative to Governor Tom Corbett's February 5, 2014 Proclamation of Emergency, a temporary waiver of IFTA requirements is hereby issued by the Commonwealth of Pennsylvania.

The purpose of this waiver ensures the expeditious restoration of utilities to Pennsylvania residents in areas which have been impacted by this weather emergency. The waiver applies only to those vehicles traveling into or through Pennsylvania which are providing the restoration of power. This takes effect at 12:01 p.m. on Friday, February 7, 2014 and will expire on Saturday, February 15, 2014 at 12:01 a.m.

This announcement is being released immediately to allow out-of-state vehicles that are providing restoration of utilities a means of rapid entry and deployment. In addition, this waiver will prevent the ticketing and/or detention of utility restoration crews entering into the Commonwealth of Pennsylvania.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Meuser', written over a white background.
