

Please join me in congratulating **Cindy Arnold** on 30 years of dedicated service to the Nevada DMV-Motor Carrier Division. Cindy is retiring on February 7th, but her last day in the office is February 5th. Cindy served on the IFTA Board of Directors from 2012 – 2018. She also served as chair of the Agreement Procedures Committee and has been involved with the Managers and Law Enforcement Workshop for more than a decade. Her contributions to the IRP and IFTA communities is commendable and she will be missed. Rich Wagner will be assuming her role as the Tax Program Supervisor for the IRP/IFTA Tax Licensing and Compliance Team on February 10, 2020.

If you would like to contact her and wish her well, her email is carnold@dmv.nv.gov

Thank you.
